* Relevant documents are documents for which the witness was the author, sender, recipient, or custodian. For third parties, relevant documents also include documents which mention the witness of his/her company. For the 30(b)(6) depositions, relevant documents are those which relate to the topic of the deposition.			
** Relevant privilege log entries are entries in which the witness is identified as the author, sender, recipient, or custodian. For the 30(b)(6) depositions, relevant entries are those in which the document description relates to the topic of the deposition.			
*** Parentheses Indicate a deposition that has not taken place yet.
